

The Beatitudes

*Blessed are the poor in spirit,
All those who will stay humble,
For their kingdom is of heaven,
The one which will not crumble.*

*Blessed are the ones who mourn,
Who, in this life, are sad,
For God will give them comfort and
Forever they'll be glad.*

*Blessed are the ones so meek,
Who don't misuse their strength,
For someday they will own the earth,
Its' height and depth and length.*

*Blessed are the ones who hunger
And thirst for what is right,
For they will be completely filled,
Won't need another bite.*

*Blessed are the merciful,
All those who do forgive,
For God will give them mercy too,
Forever they will live.*

Blessed are the pure in heart,

*Who truly do what's right,
For they will get to see our God,
He'll always be in sight.*

*Blessed are the peacemakers,
Who help in stopping fights,
Each shall be called "child of God"
Because they do what's right.*

*Blessed are God's chosen ones
When they are treated cruel,
For living right and doing good,
For not acting like a fool,*

*For soon they'll have a great reward when
They stand before His throne,
Stepping into heaven,
Where all the pain is gone.*
